I'm not using FIFA Ultimate Team.. Just real money.. Thanks I bought the game and I tried to install the first disc but it gives this error message. "Cannot locate the desired CD-Rom disk. Please insert the correct disk and click ok" A: Thanks so much for your comments, and it is actually my friend who tried to install, I help him out with this, he was able to solve this problem by typing in the drive first and then press the ok. It was a problem of pCDN, because this file didn't run with our computer, therefore it could not read it Try to clean pCDN folder and rename it again as lmfao!
